

## Brother Service at Ordeals

Brothers,

Our lodge has a long history of service to our camps and this spring at both Ordeals, Woodruff and Bert Adams, we are asking our Brothers to participate in continuing this tradition of service. At both camps we have service projects planned that are “above and beyond” the usual candidate projects. Projects include installing a Yellow river outpost, maintenance and repair around camp, and even painting. *Anyone who has ever seen candidates paint know why we are asking for Brothers to step up for this important step in preparing for summer camp.* These projects all share a requirement for skills and abilities that generally exceed those of the typical Ordeal clan.

We are also looking for adult project managers to supervise Ordeal projects. These project managers’ primary responsibility will be to coordinate with the Elangomats to insure that assigned clan projects are completed to the Ranger’s satisfaction and any tools/equipment properly cleaned and placed for pick-up.

Brothers participating in these service projects will accrue service hours that will count towards the “*Service to Scouting*” requirement of the 2017 Service Hawk award along with Totem Ticket service beads. More information about the 2017 Service Hawk award can be found at <http://www.aacegwa.org/awardsandhonors.htm>

The Woodruff Scout Camp Induction Weekend will be May 5-7, 2017 with a registration deadline Monday, April 24<sup>th</sup>.
