Lodge Social Media Policy and Guidelines

Egwa Tawa Dee Lodge endorses and adopts the Boy Scouts of America Social Media Guidelines. <http://www.scouting.org/Home/Marketing/Resources/SocialMedia.aspx>

It is the expectation of the Lodge Key 3 and the Lodge Executive Board that every member of our lodge will adhere to the guidelines established in this document. All lodge and chapter social media platform administrators are expected to know, understand, and follow these guidelines. In addition, every member of our lodge should know, understand, and follow these guidelines as they pertain to social media and Youth Protection.

“All communication between adults and youth should take place in a public forum...., or at a bare minimum, electronic communication between adults and youth should always include one or more authorized adults openly “copied” (included) on the message or message thread.”

For the purposes of social media and Youth Protection, OA youth over 18 and under 21 should conduct themselves as adults and avoid one-on-one contact with youth under 18.

Failure to comply with these guidelines will be referred to the Lodge Staff Adviser and/or the Council Scout Executive as dictated by Atlanta Area Council policy.
