

Honor Nimat Requirements

Revised 10/4/2015 by Daniel Croshaw

The *Honor Nimat Award* is intended to honor those Nimats who have served well as a Nimat and have shown extraordinary service as a Nimat. This is in no way a motivation for better leaders but serves as a small token of Egwa Tawa Dee's gratitude toward our Nimats. This award can only be earned once per person in their lifetime. To be eligible for this award the following standards must be met within a 24-month period:

1. Attend a full Nimat training hosted by the Lodge, at which time they will receive a certificate or card stating the date of completion of the training. The date will also be recorded.
2. After attending a full Nimat training, serve as a Nimat at three Brotherhood events and stay through the ceremonies.
