    - Went really well, no problems and greatly liked, 1,938 total people were in camp, 89 staff were present, the shooting sports alliance complimented our camp and thought the staff and program was great
  - Allatoona Ordeal
    - November 13-15, Lake Allatoona has flooded; the camp will need a lot of work, so a lot of people are needed. We are asking that only members come out to work, in the past Brothers have come out for the day just to visit with friends. On Saturday night, the 14<sup>th</sup>, chapters will be doing their own cracker barrels, chapters may want to team up. We need Elangomats, and 3, and only 3, ceremonies team, first come first serve, contact Will Horton, registration deadline in November 4, 2009.
  - Lodge Committees
    - Asks for Brothers to work on a committee either as a chairmen or member, we need more committee members lodge wide, committees and chairs have done a great job, but the more people we get, the better job they'll do, if interested in being a chairmen or committee member, contact our Lodge Chief.
  - LLD
    - Will be held at the VSC on December 5, 2009, will be geared toward chapter positions and functions, adult training will also be offered.

  - Registration deadline
    - Asks that members adhere to the deadline set, and will not be allowed to sign up after deadline. Spread the word, registrations must be in by the Wednesday the week before

the week of the event. If you're not staying for the breakfast on the Sunday of the event, please indicate.
