New Arrowmen

Welcome to Egwa Tawa Dee Lodge! Congratulations on completing your ordeal and being inducted into the Order of The Arrow! Now that you have completed your ordeal we invite you to take advantage of the many opportunities, from drum and dance to high adventure, the OA has it all. Welcome, brothers, and congratulations on your induction into the order!

Brotherhood Opportunities

Have you been a brother for 10 months or longer.? Do you want to seal your membership in the bond of brotherhood? If so, you should go through brotherhood trail at Fall Ordeal! If you are already brotherhood, consider being a nimat, we can always use the help!

Winter Banquet

Believe it or not, Winter Banquet is right around the corner. In fact, we're just over a month out. Winter Banquet is held on Saturday, November 2nd this year, at the Atlanta Area Council Scout Office, in the Volunteer Service Center. Winter Banquet is an annual recognition gathering where we give out awards, and we look at slideshows of the year and everything we've accomplished. There will be plenty of food and fellowship, so sign up on the lodge website today!

LLD

Just like Winter Banquet, Lodge Leadership Development is not too far out. It is going to be held on Saturday, January 6th, at the Atlanta Area Council Scout Office, in the Volunteer Service Center. At LLD, we learn skills that range all the way from ceremonies to social media. Please come out to this great event, so you can take part. There will be food!
